

What is a kiss?

What's so special kissing?

Why do we kiss each other?

A lot of questions - or NO question?

Perhaps it's only longing and enjoying, keeping still, replying, being happy. Who doesn't remember that unique first, perhaps last, maybe most lovely, most intimate kiss, and the wish to go on till eternity? Remembrance of such a kiss makes life easy. Just a moment, lost and drunk of happiness, and afterwards that feeling of diving in the skies, quasi flickering, feathered, aureate body and soul? Those minutes go. But sometimes you manage to keep them - perhaps in an image - perhaps....

Convocation

October to December, 2009,

Helmspark gallery

Helmsweg 6

21218 Seevetal

Germany

organizes a group exhibition titled "The Kiss".

Gallery is adjacent to highest class furniture store "Moebelhaus Witt", and opened all workingdays.

Helmspark gallery is on search for up to 20 professional artists, who feel inspired by theme. Hanging space for each participating artist in disciplines painting, photography and digi- art is 2 meters. Additional space for sculptures.

What's required for application?

- Applying form with included list of art works to be shown (with titles, year of origin, size and selling price. All art works must be for sale.
